

ADVANCED MARCHING HW FIELD & STADIUM

Pearl Advanced Marching Hardware

Solid Stability and Long Lifetime Performance are the cornerstones of the new Pearl Advanced Marching Hardware for Snares, Tenors, and Bass Drums. Designed by experts in making the world's most reliable percussion hardware with the world's most experienced contemporary marching percussionists.

The Snare, Tenor, and Bass stands all feature a height/range independently adjustable front leg to facilitate performances on level ground and in Stadium Bleachers. The new Pearl Advanced Marching Hardware stands are compatible with Pearl's CX Airframe and MX T-Frame Marching Carriers and similarly will never need more than your hands and a drum key to make any adjustments or customizations.

- Easy to use - no special tools required
- Adjustable Front Leg allows use in Stadium Bleachers or on Flat Ground
- Rock Solid Support of your drums
- Heavy duty durability- built to last for years
